**Families United to Prevent Teen Pregnancy (FUPTP) Curriculum now used in more than 25 communities nationwide**

Rosalie Manor Community & Family Services is pleased to provide its FUPTP curriculum to all interested schools, community based organizations, church groups and other organizations.

Arrange to have this powerful, effective on-site training conducted for your group.

Total cost includes:

- 1 curriculum per instructor
- 2-day (10 – 12 hour) curriculum instruction by 2 qualified and engaging trainers
- 12-month (24 hours) technical assistance support

To maintain the integrity of the curriculum, training must accompany the curriculum purchase, and each person implementing the training is required to have his or her own copy of the curriculum.

**Who the training is designed to benefit:**

The FUPTP curriculum training is not a “train the trainer” workshop; rather it is designed for those who will be implementing the curriculum.

While the training can easily be adapted to meet the specific needs of your individual organization, it is recommended that your adult staff, rather than youth who may be *assisting* in curriculum implementation, attend.

**Costs of the FUPTP curriculum:**

Item	Cost
Curriculum, includes Shipping & Handling	\$80/curriculum
2- day training (10-12 hours), includes 24 hours of technical assistance support for 12 months after training	\$2,800
Transportation for 2 trainers to your site	TBD
Ground transportation	TBD
Accommodations	TBD
Meals	\$50/day/ trainer

Rosalie Manor strives to keep the FUPTP training costs and curriculum low. In fact, costs for both the training and curriculum cover Rosalie Manor staff time and printing expenses completely. There is no profit built in. Additionally, travel costs to your organization low are kept to a minimum. Every attempt will also be made to secure the “TBD” items at a reasonable price, time permitting.

*Strengthening Milwaukee families by empowering parents to be nurturing and by guiding youth toward positive futures*
